

John Griffin is a highly accomplished international speaker, executive coach, and facilitator. Currently serving as an executive for Maxwell Leadership and teaching faculty for the Maxwell Leadership Team of 40,000+ independent coaches in 148 countries. His company, Griff Development provides executive coaching and training in leadership, communication and human behavior. He also serves as the Director of Global Programs with the Maxwell Leadership Foundation, casting vision and implementation for community and country transformation.

With 17 years of experience in Fortune 100 companies and as founder of three companies, John has acquired a healthy pulse on the many challenges that corporations and small businesses must conquer to remain healthy and competitive.

John has an MBA in Leadership and Organization Management, and served as adjunct professor at Concordia University, teaching Leadership Theory and Practice. He lives out his mantra, "YOU Matter," by empowering others to discover, embrace, and boldly live to their fullest potential.

Speaking Topics & Areas of Expertise

- Leadership
- Communication Strategies
- Navigating Conflict
- Connection & Productivity
- Culture, Vision & Mission
- Leading From Your Strengths
- Building Healthy Teams
- Leading Through Crisis

John customizes a virtual or in-person presentation based around your audience's current challenges. Every presentation includes an action plan for participants to immediately begin implementing for better success. His goal is to be the easiest speaker you have ever worked with, and to over deliver for you and your audience.

"John has helped me to take my leadership skills to a much higher level." ~Mark P.

"John has helped me to bring clarity and focus to what I desire to accomplish in all areas of my life. He was a Godsend and I can honestly say I wouldn't be seeing the results I'm seeing in my life and my businesses without John's coaching." ~Chuck G.

"John, thank you for an amazing day of discovery. Most importantly, self-discovery. You are a fantastic presenter and a very genuine person." ~Mike J.

"This was a wonderful training to help assist in taking myself to the next level and beyond. I feel as if I have a new friend!" ~Allen P.

"John is an intuitive, engaged, and highly effective coach. Many of the biggest roadblocks and difficult changes I have made in the past two years have been impacted by the quality coaching he has given me." ~Morgan H.

"My experience in working with John is that he is a critical thinker, astute listener and has an exceptional interactive style. Without a doubt, his commitment to the encouragement for growth in others shines through." ~Irma G.
